Disclosure in Compliance with California State Law

Bill Number SB 577: Act to add to Section 2053.5 and 2053.6
of the Business and Professions Code, relating to health

“I understand that the Energy Healing Practitioner from whom I seek services is not a licensed physician or surgeon and that Energy Healing treatments are not licensed by the state but are complimentary to healing arts services licensed by the state. I understand that Energy Healing is a highly developed system of energy-based techniques that utilize our own auric field and chakra system to balance, harmonize and transform the body’s energy processes by cleaning, energizing and balancing the body’s bio-electromagnetic field (aura).
